### PE-HD / PE 300 Sheet Available List

#### Material

| Grade           | Description   | Standard Colour                   |
|-----------------|---|-----------------------------------|
| Virgin          | Standard high-density polyethylene                                      | Natural                           |
| Black           | High heat stability   | Black                             |
| Colours         | Available in standard and custom colors                                 | Yellow / Red / Green / Colours    |
| Matt            | Reduce reflected light  | Natural / Black / Green / Colours |
| Orange Peel     | Reduce risk of surface scratches  | Natural / Black / Green / Colours |
| Anti-Static     | Reduces static build-up, $10^6$ - $10^{11}$ ohms/sq surface resistivity | Black                             |
| UV-Stabilized   | Formulation for outdoor application                                     | Black                             |
| Flame Retardant | Flame retardant and self-extinguishing                                  | Black                             |
| Color Core      | Textured both sides, UV-stabilized                                      | Natural / Black / Green / Colours |

#### Meter Size

| Sheet   | Standard Size (mm) | Thickness (mm) |
|---|--------------------|----------------|
|  | 1000 × 2000        | 0.6-160        |
|   | 1220 × 2440        | 0.6-160        |
|   | 1220 × 3050        | 0.6-160        |
|   | 1300 × 2000        | 0.6-160        |
|   | 1500 × 3000        | 0.6-100        |
|   | 1525 × 3050        | 0.6-100        |
|   | 2000 × 4000        | 0.6-100        |

#### Note:

- \* Production Method: Extruded / Compression Molded
- \* Finish: Smooth / Orange peel / Matt / Planed
- \* Other sizes, colors and formulations available upon request
- \* Not all materials are available in all dimensions and shapes
- \* If you have any questions about delivery options, dimensions, formats and minimum quantities, please contact our sales department by e-mail an: info@ysplastics.com
